TO CONTROL ALL COMMON CARRIERS

(Continued from previous page.)

they were testifying again upon the same question and this time their figures upon the cost of reproduction were 25 percent more than those offered in their former testimony. In a recent state rate controversy the railroads testified that it would cost \$100,000 a mile to reproduce their property. Only a few months before they had sworn to the tax collector that these properties could be reproduced for \$25,000 a mile. In time the commission probably will be given jurisdiction over the question of capitalization. The constitution of the United States provides that no person shall be deprived of his property without due process of law, and the courts have held that he has under this a constitutional right to a fair return on his investment. So long as the law allows men to purchase railroad stocks that have water in them, just so long, the commission holds, will the public be compelled to pay transportation rates which yield a fair return on the water, as well as on the intrinsic value of the stock. If these two amendments to the laws of common carriers are passed by congress the commission believes the great problems of American rate making will have been solved.

\$5.00 FREE

AND 3 SPECIAL PRIZES

Our puzzle last Saturday created the keenest kind of interest. We, of course, knew there were a lot of bright people in El Paso, but had no idea there were so many. We received just 80 correct answers. Of course, this made it rather hard for the committee to award the prizes. But, following out the rules of the contest, the six prizes were awarded based on originality of definition.

THE WINNERS ARE—

Mrs. W. F. Kelly, 812 Aurora St., Highland Park, wins the first prize of \$2.00. F. P. Haynes, P. O. Box 185, Alamogordo, N. M., wins the second prize of \$1.00.

THE FOUR 50c PRIZES ARE WON BY

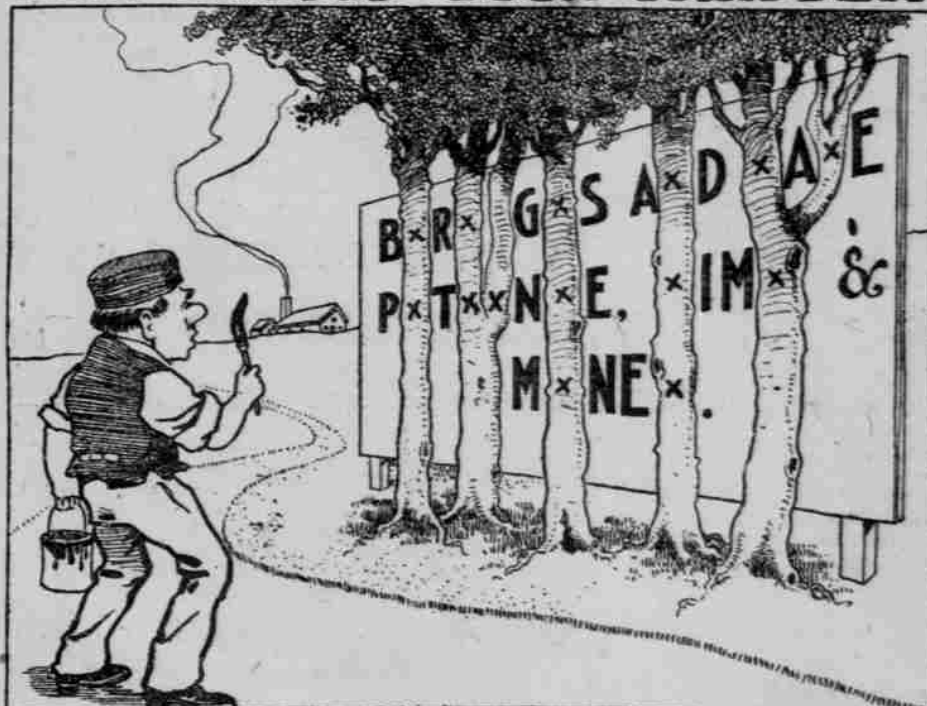

Sidney Wharton, 1404 Arizona St.
Miss E. Ehrenstein, 1107 N. Stanton St.
Mrs. E. A. Taylor, 208 S. Oregon St.
Mrs. E. V. Carleton, 1315 Boulevard.

The winners in El Paso will please call at the Gas Office; the out-of-town check will be mailed.

ADDITIONAL PRIZES THIS WEEK

In addition to the \$2.00 1st Prize, \$1.00 2nd Prize and four 50c Prizes—totaling \$5.00—we add three special prizes. McCullough's Confectionery will award a special prize of a 2-pound box of "McCullough's El Paso-Made Candy." Manager Winch will give 5 paid admissions to the Crystal Theater and 5 to the Wigwam Theater.

THE STUPID SIGN PAINTER

THE SIX MISTAKES

(Careless Artist Puzzle that appeared last week.)

1. Rooster on nest.
2. Wrong handle on broom.
3. Chicken feet on duck.
4. Webbed feet on chicken.
5. Dog's feet on pig.
6. Oak leaves on sunflower plant.

PRIZE PUZZLE PICTURES

McClintock, the billboard man, sent his artist out last week to paint a sign for us on Magoffin avenue. It seems that he was a stupid sign painter, with the result that the sign is hard to read. Of course, we might remove the trees, but we might be served with an injunction by the residents of Magoffin. Or, we might paint portions of letters on the trees, but the trees are hardly big enough. Can you tell how the sign should read?

RULE OF THE CONTEST

Every Herald reader is entitled to send in an answer. We ask that you use a postal card in answering. However, letters will be accepted. In addition to reading the sign, we ask that you write a definition of "gas." Awards will be based on correction of solution to puzzle and originality of definition. Send or bring your answer to this office before 5 o'clock Wednesday afternoon, Oct. 19th.

SPECIAL NOTE—All answers mailed must be addressed to "Puzzle Dept., El Paso Gas & Electric Co., Bassett Bldg."

JUST A WORD—Now, don't look in the dictionary to find a definition of "gas." Our whole object in running these puzzles is to find out how and what people think as applied to our business. In this way we store up valuable information for future advertising.
